

Run Sheet

A run sheet (also known as a cue sheet) is a document used by event planners, stage managers, and/or live music directors to run the event/performance efficiently. It helps to run the show from start to finish by tracking exactly what happens, when, and by whom.

Event Name:

Event Location:

Event Date:

Start Time:

Finish Time:

Event Coordinator:

Simple version:

TIME	ACTION	RESPONSIBLE PERSON

More complex version:

TIME	DESCRIPTION (What audience see's)	CUE (Instructions that make what the audience see's take place)	STAGE MOVE (Performer moves/changes)	NOTES (Crew directions, etc.)
